## A BRIEF NOTE ABOUT THE SCHOOL

The D.A.V Group of Schools, Chennai, is an embodiment of Dayanand Anglo-Vedic movement that began in 1886. It was inspired by Swami Dayanand Saraswathi, the founder of Arya Samaj with the aim of building a knowledge- driven society based on Vedic Principles.

The seeds of the D.A.V Group of Schools were sown in Chennai, in the year 1970, by dedicated visionaries under the auspices of Tamil Nadu Arya Samaj Educational Society (TNAES), with a vision to provide, affordable, value based, quality education. The schools believe in the Vedic Way of Life.

i.e. the Practice of Panch Maha Yajna as prescribed in the Vedas.

The Tamil Nadu Arya Samaj Educational Society, registered under the Societies Act is managing the D.A.V Group of Schools. The Society runs 5 full-fledged Senior Secondary Schools affiliated to the CBSE, New Delhi and one Higher Secondary School at Gill Nagar, recognized by the Tamil Nadu State Board in Chennai. The Society governs two Government aided schools and one Vocational Training Centre in Chennai. The D.A.V School at Puducherry was started in 2017 and is growing every year. The recent addition to the D.A.V

family is the school at Pallikaranai, with strength of about 2500 in the year of inception (2022). The Society also manages three schools for BHEL, one at Ranipet and two at Tiruchirappalli and three private schools namely D.A.V. Sarada Eashwar Vidyalaya, S.M.Fomra, and The First School.

With 50-years of legacy and experience, the group of schools has continued to burgeon and impart highest levels of moral excellence, which stand as a testimony for the perseverance by teachers and students alike. Upholding the standards set by the past academicians, the institution continues to provide high quality, affordable and value-based education that encourages a sense of team spirit, individual effort and accomplishments.

Keeping in line with the values and compassion of the visionaries who started the school, the Board of Management consistently handholds for various endeavours with other schools, as academic associates. We have 19 Associate Schools with whom we have partnered for the betterment of teaching and learning as a community. To inculcate in children a sense of gratitude, compassion and empathy, the Seva maithri programme was introduced. Students are given an opportunity to interact with children with special needs, residents of homes for senior citizens and serve them with a sense of humility.

They are also helped to visit and take care of animals at Animal Care homes, Goshalas, Farms and also experience the significance of dignity of labour.

The school organizes Career Counselling Programmes for students of classes VIII to XII. Eminent people from relevant industries and distinguished alumni are invited to address the students.

The programme is held online, every first and third Saturday for both D.A.V and non-D.A.V students. Students are encouraged to enroll for the program at no additional cost and benefit from the same. We encourage the parents also to attend the program to help the ward choose a career.

In tune with the present times, to help children, parents and teachers who have a medical need, assistance is provided by experienced medical professionals through project Prashasti, a notable venture of the group.

Professional Counselling is available for students and parents, who wish to avail the same, apart from the regular Counselling services at school. Parents may contact the Headmistress / Principal for any such support.

In continuance of the pursuit of excellence in academics and to provide rootedness in our culture, the group has ventured into publishing textbooks that follow Indic-culture, are affordable, contemporary and value- based with a thought that good teachers make a good society, the Post Graduate Certificate in Education Programme was initiated and continues to serve the cause of Education. Teacher training along with practical exposure is the hall mark of the course.
