## **"SEVA MAITHRI CLUB - EMPOWERING THROUGH SERVICE"**

Seva Maithri Club volunteers along with five enthusiastic teachers, came together to serve food to the devotees and visitors at the **\*\*Baba Temple\*\***.

This humble act of service was more than just the distribution of food — it was a reflection of empathy, gratitude, and the joy of giving.

Students participated wholeheartedly in the entire process, from organizing the food service to directly interacting with people, ensuring they were served respectfully and with a smile.

This initiative was not only a meaningful way to spend time during the summer.

This act of kindness is also a practical lesson in values — something that aligns perfectly with the mission of the Seva Maithri Club to serve with love and lead through kindness.

We look forward to conducting more such purposeful activities in the upcoming months,

We thank our teachers, volunteers, and school leadership for their unwavering support
