# ONAM / TEACHERS' DAY CELEBRATION

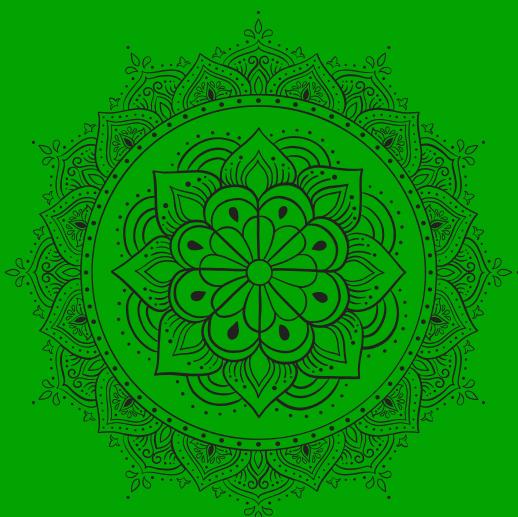

Our school celebrated Onam and Teachers' Day with great enthusiasm and joy on 4.9.25. The programme was organized in the school and attended by the Principal, teachers, and students.

The celebrations began with the Onam programme, where a beautiful Pookalam (floral decoration) was prepared by the students

Following this, the Teachers' Day celebration commenced. Students expressed their love and gratitude towards teachers. A special programme was organized where students conducted games for teachers.

The event concluded with a vote of thanks. The joint celebration of Onam and Teachers' Day created a festive and joyful atmosphere in the school, leaving behind memorable moments for both teachers and students.

# GUEST LECTURE ON NUTRITION

**Date: 6.9.25**

**Day: Saturday**

**Time – 10.30- 11.30 am**

**Grade : III – V**

**Resource name: Mrs. Sumithra Bai ji and Mrs. Nandhini ji**

- The nutrition awareness session conducted for students of Grades 3, 4 and 5 was highly informative and engaging.
- The session highlighted the importance of adopting healthy food habits and making wise lifestyle choices.

## **Key points covered**

- Avoiding Junk Food:
- Importance of Drinking Water:
- Importance of sleep
- Balanced Diet:
- Types of Nutrients:

Overall, the session successfully created awareness among the students about healthy eating and lifestyle habits.

The interactive approach helped them connect the concepts to their daily routine.

# BRAHM PRAKASH QUIZ - CONDUCTED BY IITM

**DATE: SEPTEMBER 6, 2025**  
**TIME: 9:00 AM TO 4:00 PM**  
**VENUE: SEMINAR ROOM 222,**  
**NEW ACADEMIC COMPLEX**  
**DEPT. OF METALLURGICAL**  
**AND MATERIALS ENGG, IITM**  
**TEACHER INCHARGE:**  
**J.RAJALAKSHMI**

Students of Grade XI participated in the Brahm Prakash Quiz, organized by the Department of Metallurgical and Materials Engineering, IIT Madras, in collaboration with the Indian Institute of Metals.

## KEY HIGHLIGHTS:

1. Active participation in the quiz competition, showcasing knowledge and enthusiasm.
2. All participants received certificates for their involvement.
3. A visit to IIT Madras's sophisticated labs, gaining insights into metallurgical processes and applications.

## OUTCOMES :

1. Valuable knowledge and hands-on experience in metallurgical engineering.
2. Exposure to advanced labs sparked interest and motivation.
3. Expected to inspire exploration of metallurgical fields further

The Brahm Prakash Quiz provided students with academic and practical insights into metallurgical and materials engineering, making it a valuable experience.

# CHINMAYA MISSION BHAGAVAT GITA CHANTING COMPETITION

## MOCK FIRE DRILL FOR STAFF

A mock fire drill was conducted for the school staff in the campus on [date]. The objective of the drill was to create awareness about fire safety measures and to train the staff in handling emergencies effectively.

As part of the drill, the staff were given hands-on training to operate various types of fire extinguishers. Demonstrations were provided on their usage for different classes of fire, ensuring that every member understood the practical application. The exercise proved to be highly beneficial, enhancing the staff's confidence and preparedness in dealing with unforeseen fire incidents. The mock drill was successful and emphasized the importance of vigilance, teamwork, and safety awareness.

## KG - PARENT TEACHER MEET

- Date: 6th September 2025 (Saturday)
- Class: KG (Kindergarten)
- Purpose: KG Assessment Discussion

The parent-teacher meeting was conducted to discuss the upcoming KG assessment. Key points covered during the meeting:

1. Portion Explanation: Teachers explained the portions that will be covered in the assessment.
2. Assessment Conduct: Details about how the assessment will be conducted were shared with parents.
3. Timetable Sharing: The timetable for the assessment was shared with parents to ensure everyone is aware of the schedule.

The Principal emphasized that the assessment aims to:

- Evaluate knowledge: Assess students' understanding and progress.
- Stress-free environment: The assessment is designed to be a learning experience, free from undue stress or pressure.

This approach fosters a supportive and nurturing environment for young learners, keeping parents informed and involved in their child's educational journey.

## KG ACTIVITIES GALLERY- ONAM CELEBRATION

The KG students' Onam celebration was a vibrant and joyful event that showcased their creativity and cultural understanding.

Overall, the Onam celebration was a resounding success, fostering a sense of community and cultural appreciation among the KG students.

## KG ACTIVITIES GALLERY- ONAM CELEBRATION

The KG students' Onam celebration was a vibrant and joyful event that showcased their creativity and cultural understanding.

Overall, the Onam celebration was a resounding success, fostering a sense of community and cultural appreciation among the KG students.

## KG ACTIVITIES GALLERY - NUMBER - RING SORTING

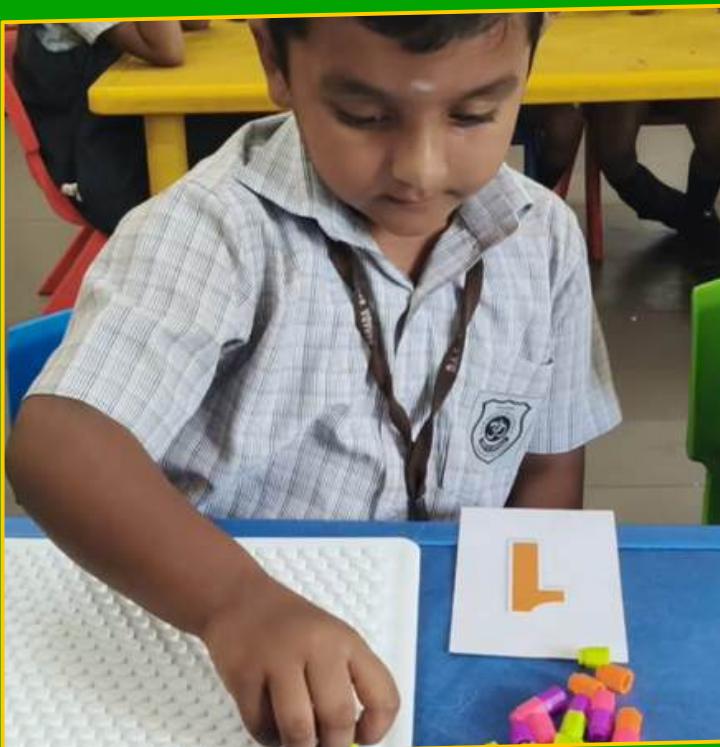

Objective: Develop numeracy skills, fine motor skills, and problem-solving abilities through a fun and interactive activity.

The activity was engaging and effective in developing numeracy skills, fine motor skills, and problem-solving abilities.

## KG ACTIVITIES GALLERY - COUNTING COINS AND ARRANGING ON PLAY BOARD

Objective: To practice number recognition, counting, and sequencing skills through a hands-on activity

The activity was engaging and effective in reinforcing math concepts. Students showed enthusiasm and confidence in counting and arranging coins.

## KG ACTIVITIES GALLERY - STORY TELLING

Storytelling with props is an engaging way to foster creativity and imagination in kindergarten students. By incorporating props into storytelling, children can better visualize characters, sequence events, and understand plot development.

**Magic of Learning Moments**

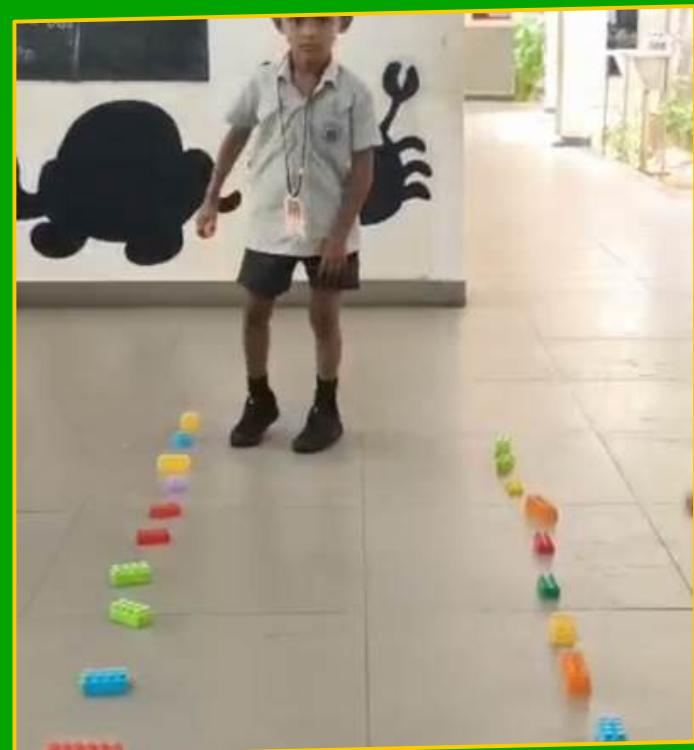

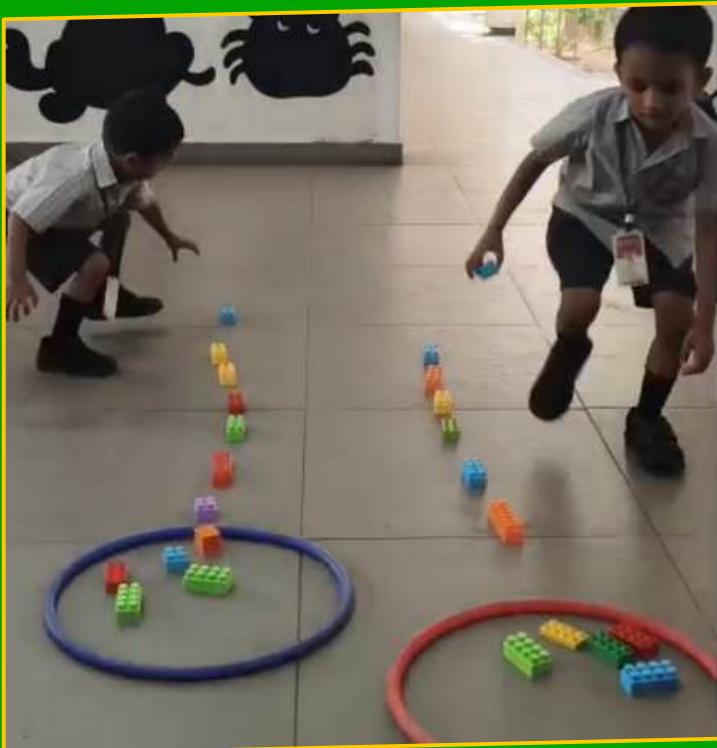

# KG ACTIVITIES GALLERY - BALL COLLECTION WITH LEGS

Objective: Develop motor skills, coordination, through a fun ball collection activity using legs

## KG ACTIVITIES GALLERY - PICK THE BLOCKS, RUN, AND KEEP IT INSIDE THE HULA HOOP

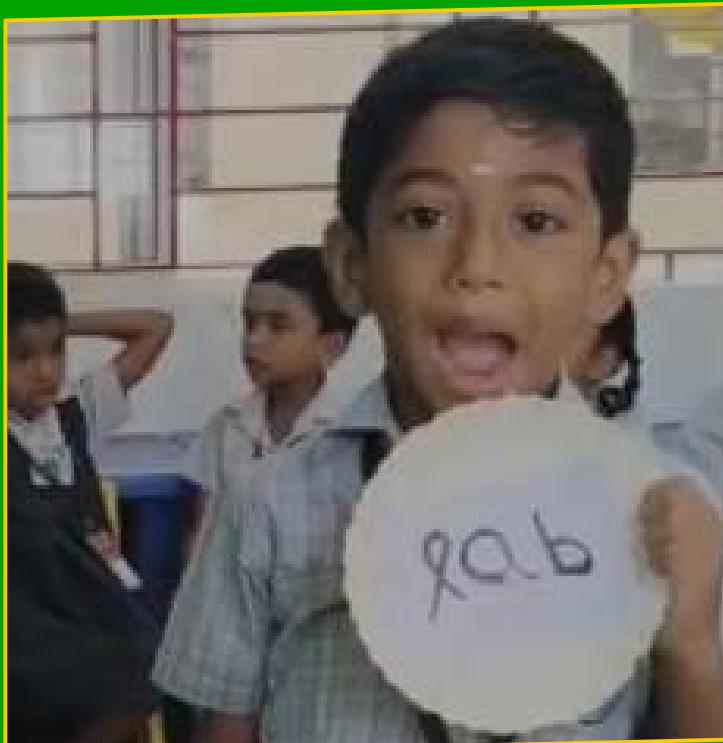

Objective: Develop fine motor skills, hand-eye coordination, and physical fitness through a fun block-picking and hula hoop-placing game.

This activity promotes physical fitness, problem-solving, and confidence building, making it an engaging and beneficial experience for children.

# KG ACTIVITIES GALLERY - ENGLISH WORDS READING

Objective: Enhance reading skills and vocabulary recognition through an interactive ball-throwing activity.

## LEARNING OUTCOMES

1. Improved Reading Skills:
2. Vocabulary Building:

# PLAY TIME WITH SOCCER CONE AND HULA HOOPS

The LKG children enthusiastically participated in a fun playtime activity using soccer cones and hula hoops. They enjoyed running, balancing, and jumping while following simple instructions, which kept them active and engaged throughout the session.

The activity brought smiles and laughter, making learning fun through play. Such sessions help children stay energetic, happy, and eager to explore new challenges every day.

## KG ACTIVITIES GALLERY - COUNT AND ARRANGE THE PENCIL ACTIVITY

The LKG children actively participated in the Count and Arrange the Pencil activity, where they counted the pencils and placed them inside the circle as per the given number. This hands-on task helped them connect numbers with quantities in a fun way.

The children enjoyed the activity and gained confidence in counting and arranging objects. It was a joyful learning experience that encouraged focus and independence.

## KG ACTIVITIES GALLERY - MATCHING NUMBERS ACTIVITY

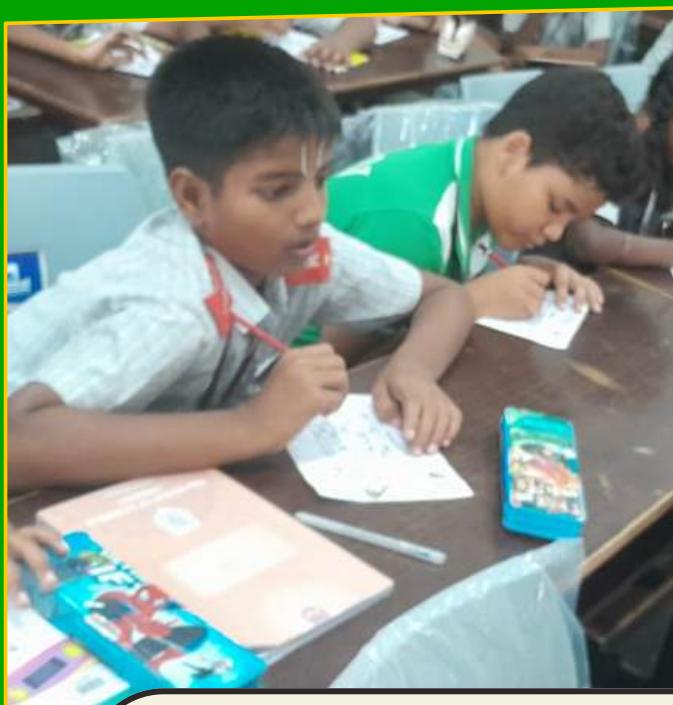

The Pre-KG and LKG students actively participated in a Matching Numbers Activity, where they matched identical numbers. This engaging activity helped them build a strong foundation in early math skills through fun learning.

The children enjoyed the activity thoroughly, showing excitement and active involvement. It was a joyful session that made learning numbers fun and effective.

## INTERNATIONAL SUDOKU DAY COMPETITION

On September 9, 2025, our school celebrated International Sudoku Day with great enthusiasm, organizing a thrilling competition for students in classes 6 to 9. The event aimed to promote logical thinking, problem-solving skills, and mental fitness among young minds.

The International Sudoku Day competition was a resounding success, engaging students in a fun and intellectually stimulating activity. It not only honed their problem-solving skills but also promoted a sense of community among participants. We look forward to hosting similar events in the future.

# NUTRITIONAL & FITNESS SESSION FOR TEACHERS

**Date: 13.9.25**

**Day: Saturday**

**Time – 2.30 to 3.30 pm**

**Resource name: Mrs. Sumithra Bai ji**

**Topic : Fitness session**

The nutrition awareness session conducted for teachers was highly informative and engaging.

The session highlighted the importance of BMI, HEIGHT, WEIGHT, CHOLESTEROL LEVEL ETC. Energy / Herbal drink was given. Height and weight were checked.

Overall, the session successfully created awareness among the teachers about healthy lifestyle habits.

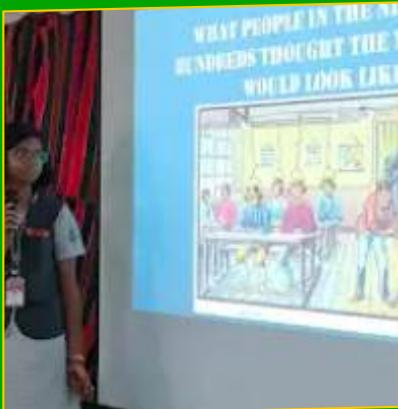

The interactive approach helped them to connect the concepts to their daily routine.

## IT CLUB- INAUGURATION- VISAKA

The IT Club of our school conducted the “Vikasan” programme on 6.9.25 at our school library. The programme was inaugurated by our respected Principal who emphasized the importance of developing digital skills in the present era.

The objective of the programme was to enrich the knowledge of students in Information Technology and to encourage them to showcase their technical talents. Various activities were organized under this programme:

1. Technical Quiz – to assess students' awareness of computer fundamentals and latest IT trends.

2. Poster Presentation – on the theme “Digital Transformation and Future Technology”.

3. Presentation – to highlight creativity and innovation using digital tools.

The students participated with great enthusiasm and interest.

The event concluded with the Vote of Thanks delivered by Kasni of class 12. The IT Club Vikasam programme was a grand success, as it provided students with an opportunity to enhance their technical knowledge, creativity, and team spirit.

# தமிழ்ச் சங்கத்தின் சார்பாக ஆசிரியர் தினம்

நிகழ்ச்சி : தமிழ்ச் சங்கத்தின் சார்பாக ஆசிரியர் தினம்

நாள் : 06 - 09 -25

இடம் : டி. ஏ. வி .சாரதா ஈஸ்வர் வித்யாலயா பள்ளி நூலகம்  
பங்கு பெற்ற மாணவர்கள் : வகுப்பு - IX

ஆசிரியர்களின் பெருமைகளையும் சிறப்புகளையும் இந்த நிகழ்வின்மூலம் மாணவர்கள் அறிந்து கொண்டனர்.

# TATA BUILDING INDIA

## SCHOOL ESSAY COMPETITION

Topic: Five things i will do to build a self Reliant India.

The activity was engaging and effective in reinforcing math concepts. Students showed enthusiasm and confidence in counting and arranging coins.

# GUEST LECTURE ON OPERATION VIJAY

**Date: 13th September, 2025**

**Time: 10:30 a.m – 11:30 a.m.**

**Venue: School Library**

**Grade: VIII – XII**

**Topic: Operation Vijay**

**Resource Person: Col Ganesh Bhat, SM, Retd.**

The session started with a prayer establishing a peaceful atmosphere. As a symbol of love and respect, Vishnu from Grade XII presented a lovely painting with the theme patriotism to Col. Ganesh Bhat after the welcome address.

In his speech, he pointed out the virtues that make a good leader — courage, discipline, clear purpose, and accountability towards one's team and country. Using personal anecdotes, he laid great emphasis on emotional intelligence, discussing how self-awareness, empathy, and staying calm in critical situations enable leaders to lead their teams to victory. He also emphasized the importance of adaptability and how soldiers have to think quickly, change strategies, and remain positive even under uncertain and harsh circumstances. In his opinion, emotional intelligence and adaptability combined enable leaders to establish trust, inspire others, and accomplish objectives regardless of adversity.

Col Bhat's responses inspired the students to cultivate confidence, empathy, and flexibility in their academic and personal lives.

## AGNIHOTRA

Students actively participated by offering Ahutis (offerings to the fire) and maintaining silence and discipline throughout the ceremony.

**Havan (Yagna) was performed in the school premises weekly once with great devotion and reverence. The ceremony was conducted in the presence of teachers, students, and staff , creating a spiritually uplifting atmosphere.**

# SEVA MAITHRI CLUB ACTIVITY

Date : 13.09.2025

Day : Saturday

Grade : IV - VII

Venue : Near Agatheeswarar temple

No. Of students : 15

Time : 9.15 am - 10.30 am

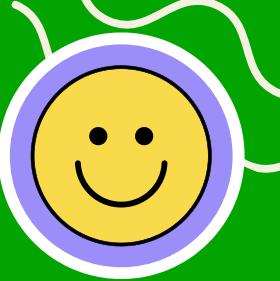

- As a part of Seva Maithri club activity, We have provided food for the needy people staying near Agatheeswarar Temple.
- Students are able to understand the challenges faced by underprivileged communities.
- Develop empathy towards those experiencing food insecurity and poverty.
- Learn the importance of giving back to the community.
- Develop respectful and sensitive communication with people from diverse backgrounds.
- Build humility, gratitude, and a sense of purpose through acts of service

*Compassion is the truest devotion*

# SATURDAY ACTIVITY

# INTER HOUSE SPORTS ACTIVITIES

# ADMISSION OUTREACH PROGRAMME

An Admission Outreach Program was conducted by our school staff. The initiative aimed to create awareness among parents and the general public about the academic facilities, co-curricular activities, and holistic learning environment provided by our school.

Staff members interacted with parents and community members, shared details of the admission process, distributed brochures, and addressed queries regarding curriculum and facilities. Overall, the program was successful in strengthening the school's connection with the community and promoting its educational opportunities.

## PRITHVI VANDHANAM ACTIVITY

- The children participated with great enthusiasm in the water conservation activity, showcasing their eagerness to learn. 🌟
- We shared engaging video content and a PPT presentation, which captivated the students' attention. 📺
- A notable number of children brought vibrant posters highlighting the importance of water conservation, demonstrating their creativity. 🎨
- Many students delivered impressive speeches on the topic, expressing their thoughts and ideas effectively. 🗣️
- During the school tour, the children identified areas of water wastage, including a leakage on the school wall and a dripping tap near the playground, fostering hands-on learning. 🏫

# ONE-DAY SEVA TRIP

**Date: 29.09.2025**

**Day : Monday**

**Venue: Arunodaya, Tiruttani**

**Timing : 8.30 am - 6.30 pm**

**No. Of students: 06**

**Class: VIII & IX**

As part of our school's value-based learning and community outreach programme, our students went on a one-day Seva trip to Arunodaya, a special institution situated at Tiruttani.

Arunodaya provides care and education to 44 differently-abled children, who are categorised into three groups according to their IQ levels.

We observed the commendable work of the special educators, who take care of the children with patience, dedication, and affection.

A special programmes were arranged for us in the multipurpose hall, where the children performed beautifully, dressed as members of Lord Shiva's family. Their performance filled the hall with joy and devotion.

As part of the Seva Maithri activity, our students expressed their love and care by distributing stationery items to the children, bringing smiles to their faces.

Before concluding the visit, we were taken to the Goshala maintained by the institution, where cows are cared for with devotion and discipline.
